# MESSAGE FROM OUR BOARD PRESIDENT

Dear friends,

Thank you to all those who have even the smallest part in fulfilling the mission statement of “Fighting Hunger, Feeding Hope – through healthy food choices.” Whether you donated items during a food drive, sent in a one-time or recurring donation, volunteered your time in our warehouse, shared a Facebook post, or helped one of our clients shop for their next meal, thank you! These are just a few of the ways that our volunteers and donors have selflessly contributed to making Loaves and Fishes a safe place for our clients to find the services they need. It is humbling to see so many individuals put forth so much effort for those going through challenging times.

Again, thank you for your support of Loaves and Fishes. And if you have not yet joined in the efforts, I encourage you to take a deeper look into what this organization provides to all of the people in NW Oklahoma and how you might fit into the bigger picture. Together, we are making a difference.

*Sara Stuber*

# WHO WE ARE

Our vision remains the same today as when we started.

***"Fighting Hunger...  
Feeding Hope through  
healthy food choices"***

Loaves & Fishes of Northwest Oklahoma is a private, 501(c) 3 hunger-relief charity affiliated with the Regional Food Bank of Oklahoma. Located in Enid, we provide food to an average of 600 families each month.

As a client choice food and resource center, our clients get to decide which food items they take home each time they shop with us. Our facility is different from most food pantries because it contains a large commercial freezer and refrigerator, which allows us to accept and distribute more perishable food items, like fresh fruits and vegetables, dairy, and frozen meat.

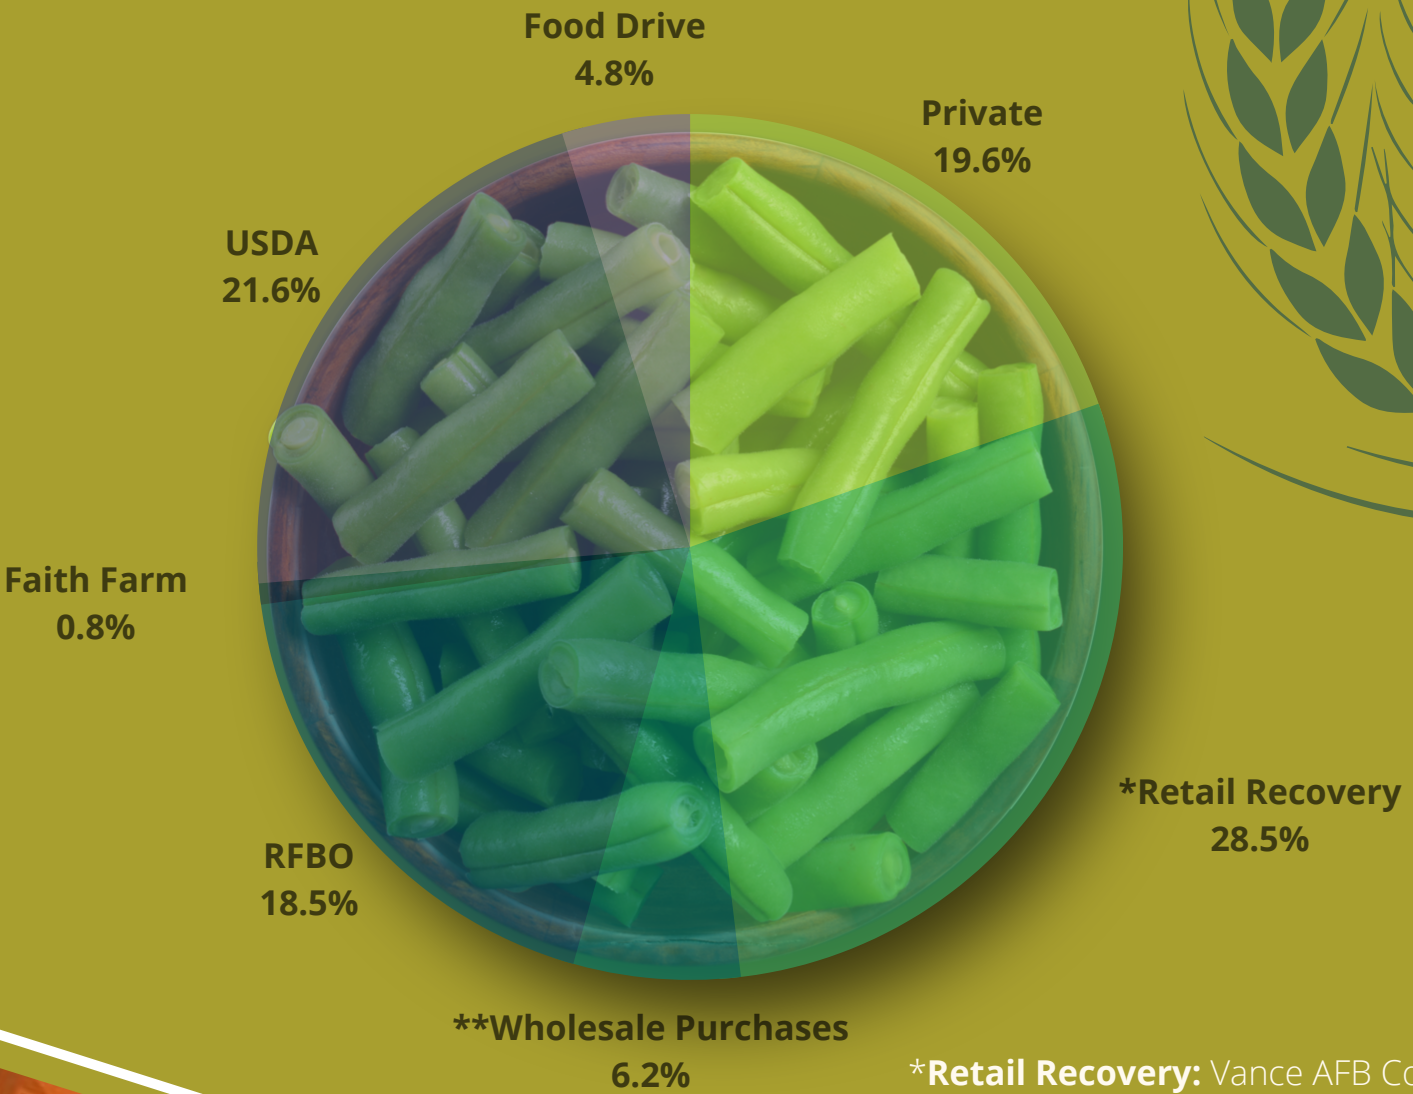

Loaves & Fishes of NW Oklahoma is a partner agency of the **Regional Food Bank of Oklahoma**, a member of the **Oklahoma Center for Nonprofits**, and a Community Partner of **United Way of Enid and Northwest Oklahoma**.

What Kellee says about volunteering with us:

"My love for my community is what brought me to Loaves & Fishes." Kellee is one who can do all the jobs here at Loaves & Fishes. We can count on Kellee to show up everyday rain, snow, or sunshine. Kellee said, "she hopes that everyone in the community knows that Loaves & Fishes is a judgement free and fully open place to come to".

Without the dedication of our volunteers, we simply could not serve our neighbors. They are the heart of what we do here at Loaves & Fishes.

# GET INVOLVED

## Give Time

Volunteers are a key part of operations at Loaves & Fishes.

We absolutely could not do it all without our volunteers! We welcome all volunteers and have a variety of opportunities for individuals, families and groups.

## Give Money

Financially support from the community is essential for the growth of Loaves & Fishes. For \$35 a month, a family of four can go home from our pantry with a grocery cart full of healthy nutritious food each month. Make a difference today!

## Give Food

Loaves & Fishes welcomes food donations from our community members. Food drives are an excellent way for school groups, neighborhoods, corporations, churches, community groups and organizations to meet hunger in the community.
