Fighting Hunger... Feeding Hope through healthy food choices.

Loaves and Fishes of NW Oklahoma is
a partner agency of the [Regional Food Bank of Oklahoma](#) and a
Community Partner of the [United Way](#) of Enid and Northwest
Oklahoma.

CLIENT CHOICE FOOD BANK

Our vision remains the same today as when we started.

"Fighting Hunger...

Feeding Hope through healthy food choices."

Loaves & Fishes of Northwest Oklahoma is a private, 501 (c) 3 hunger-relief charity affiliated with the Regional Food Bank of Oklahoma. Located in Enid, we provide food to an average of 500 families each month. As a client choice food and resource center, our clients get to decide which food items they take home each time they shop with us. Our facility is different from most food pantries because it contains a large commercial freezer and refrigerator, which allows us to accept and distribute more perishable food items like fresh fruits and vegetables, dairy, and frozen meat.

FAITH FARM

Faith Farm: Growing a better future. As a production and teaching garden for Loaves & Fishes of NW OK, our commitment is to increase access to healthy food for low-income families. By cultivating our own produce, we are making strides towards achieving this mission. Your support matters!

MESSAGE FROM BOARD PRESIDENT

As we wrap up another tremendous year at Loaves & Fishes, I want to take this opportunity to say thank you to each volunteer, donor, and advocate. Without you, our mission of fighting hunger and feeding hope in Northwest Oklahoma would not be possible. When I first joined the board, I did not know the impact of hunger in our community. Through my time with this organization, I have realized how vital our services can be in the lives of our neighbors right here in Enid.

It has been a privilege and an honor to have served Loaves & Fishes as board president as we have adapted to the growing needs in our area over the last year. Our Executive Director Lydia Kelley and her team have continued to go above and beyond as they navigate new challenges. Our talented and dedicated board members have implemented many changes to support the organization. Finally, our faithful volunteers have shown up each day with a servant's heart and a desire to make a difference in the lives of our clients. Without each of these key components, Loaves & Fishes would not be what it is today.

Our community has contributed food and financial resources to aid in our mission and as always, we appreciate the generous support. I thank you for joining in the effort to make a difference in so many lives. Together, we can continue working to provide help to those who struggle with hunger.

MESSAGE FROM EXECUTIVE DIRECTOR

Even after 4 years of serving as the Executive Director at Loaves & Fishes, I'm still blown away daily by the things that happen at this special place. The selflessness of our volunteers, the passion in our staff, and the loyalty of our supporters all marry together to bring joy and relief to the clients who walk in our door. I'm proud of what the organization has done and of what we continue to do. It is truly my honor to be a part of L&F. As we look towards the future we can't help but be grateful to our community. Thank you for your commitment to fighting food insecurity! We literally could not do what we do without you.

Lydia Kelley
